Our food options are: \_\_\_\_\_

### **Catering Companies.**

You are welcome to bring any catering company on board the Ohana. The only rules we have are no open flame or cooking (excluding "Sterno") and the catering company must include us as "Additional Insured" on their liability insurance.

### **Self-Catering.**

You are able to bring your own food aboard the Ohana. We have two 6 foot tables available at your disposal. You will need to provide everything from table cloths, plate ware, flatware, service ware, platters, and anything else to present, serve and eat as we do not carry any food service items.
